Subject: Re: Status of briefing paper for ND WQS

Thanks Bert. I shared your edited version of the document with Erin, Andrew and Judy and invited them to weigh in. I'll address these comments shortly. Thanks.

Thanks. I made quite a few comments. Let me know if you want to discuss.

If we need more time, please work with Adele to push back the briefing for Deb, but not too far back so she has time to discuss this with Dave and we can modify it to inform Radhika if needed.

Bert Garcia
Acting Division Director
Water Division
U.S. EPA Region 8

Hi Bert, just checking in to see if you have any comments on the briefing paper on the ND WQS mercury issue that Judy sent you yesterday? Thanks.

Also, do you plan to forward the final version to Karen McCintosh or shall I?

Thanks,
Holly Wirick
